Dear Ms. Pullum:

Feeding South Florida (formerly Daily Bread Food Bank) and those we serve would like to thank you for supporting our mission to end hunger in South Florida. Your donation is greatly appreciated and will be a great help to feed the needy and give more families a reason to smile.

Daily Bread Food Bank operates on the principle of reducing hunger by reducing waste. Approximately 690,000 people in South Florida live in poverty; with 214,000 being children. Unfortunately, the recent economic situation has further increased the demand for food. Now more than ever we need your support, therefore with your generous contribution of \$600.00, check #1538 dated we will be able to distribute enough food for 3,600 life saving meals.

Please know that ***Daily Bread Food Bank*** is mindful that our mission is accomplished through the generosity of others and that we will be accountable to those who support us through the efficient use of resources entrusted to us.

Again, thank you for joining the numbers who care.

Best wishes,
